A UNIQUE OPPORTUNITY TO PLAY AT THE CAMP NOU

You could be the star and fulfil a dream: play a game of football on the pitch at the Camp Nou.

Welcome to Camp Nou: an icon of the city of Barcelona and one of the most legendary places in World football. It's where 100,000 spectators enjoy magical nights in the largest and most spectacular stadium in Europe, listed as '5-star stadium' by UEFA. It's a unique ground where the best players ever, like Kubala, Cruyff, Maradona, Romario, Ronaldinho, Messi, have scored goals that have been shown around the world.

Perhaps the next goal in the stadium could be scored by your Company...

FC Barcelona offers all types of institutions and companies the sole and exclusive opportunity to organise and play football matches in one of the most iconic stadiums in the world.

NOW 'YOU PLAY'!

During the summer months, once the season is finished, FC Barcelona provides a unique opportunity to be able to realise the dream of millions of fans: to become a top player for a day and be able to play a game on the legendary Camp Nou pitch.

Also, throughout the season, you also have the possibility to play a football match in the Miniestadi, home to FC Barcelona stars of the future.

AN UNRIVALLED EXPERIENCE
FOR COMPANIES AND GROUPS

AN UNFORGETTABLE MEMORY

‘Camp Nou You Play’ and ‘Miniestadi You Play’ are aimed at companies and organizations wishing to offer a unique experience to their special guests, whether customers, partners, or employees.

This is a perfect public relations activity for an incentive program, convention or meeting. It’s not necessary to be physically fit or be a skilful footballer. Two coaches from the FCBEscola will look after both teams and will guide them in terms of match warm-up and substitutions to be made.

The basic package includes up to a total of 35 players. Additionally, you can enter a maximum of 15 players more, with an extra fixed cost per person.

You can include as many guests as you want, and these can watch the match from the Directors Box and take part in the cocktail party afterwards, as well as having access to the Camp Nou tour and the FC Barcelona Museum.
