# TECHNICAL CHARACTERISTICS

# TECHNICAL DETAILS

Hire of the “Suppers on the Pitch” space includes assembly of cover to protect the pitch and a decorative platform of an appropriate size for the number of guests in your group.

Located in the open air, this space is ideal for holding cocktail type receptions or gala suppers in an incomparable setting in the summer months. During the football season there is the possibility of contracting the ‘Suppers on the Pitch: Technical Area’ option.

Possibility of complementing the assembly with a wide range of different format marquees to guarantee the success of the event in any kind of weather, with the option of including elegant heaters so that the space can even be enjoyed in early spring or late autumn (depending on the type of product contracted).

The basic assembly includes a decorative lighting system for the space, thus creating a warm ambience in a legendary setting.
